The undersigned was led to examine data supplied by the client, related to the above mentioned cosmetic product, to assess its safety for the human health when applied under normal or reasonably foreseeable conditions of use, as described by the fabricant.

This evaluation was carried out according to the Chapter III and Annex I of the REGULATION (EC) No 1223/2009 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 30 November 2009 related to cosmetic products.

Taking into account all its characteristics, the product complies with the definition of the cosmetic product as stated in the Regulation (Chapter I – Article 2), i.e.:

"Any substance or mixture intended to be placed in contact with the external parts of the human body (epidermis, hair system, nails, lips and external genital organs) or with the teeth and the mucous membranes of the oral cavity with a view exclusively or mainly to cleaning them, perfuming them, changing their appearance, protecting them, keeping them in good condition or correcting body odours."
